

	Sunday, 09 September	Monday, 10 September	Tuesday, 11 September	Wednesday, 12 September	Thursday, 13 September	
08.30		Session 1 Ca ²⁺ signaling in Leukocytes Chair: A. Guse	Session 3 Ca ²⁺ Imaging and novel technologies Chair: G. Bird	Session 6 Ca ²⁺ and vesicle trafficking Chair: S. Moss	Session 9 The Stim-Orai Signalling interface Chair: D. Gill	08.30
09.30						09.30
10.30		Coffee Break	Coffee Break	Coffee Break	Coffee Break	10.30
11.30		Session 2 Late Breaking Studies Chair: J. Parys	Session 4 The role of Ca ²⁺ in motility Chair: A. Enyedi	Session 7 Ca ²⁺ and/in Amyotrophic Lateral Sclerosis Chair: R. Pochet	Session 10 Intracellular Ca ²⁺ -release channels: from structure-function to disease Chair: G. Bultynck	11.30
12.30		Conference Group-Photo	Lunch	Lunch		12.30
13.30	Registration	Lunch			Farewell Lunch	13.30
14.30		ECS General Assembly	Session 5 Regulation of Ca ²⁺ signaling by adenine nucleotides Chair: C. Lohr	Session 8 Relevance of Ca ²⁺ Signaling for Metabolism Chair: J. Heeren		14.30
15.30		Flash Symposium				15.30
16.30	Welcome reception	Poster Party I 2. Floor N55 with finger food and drinks	Poster Party II 2. Floor N55 with finger food and drinks	Coffee Break		16.30
17.30	Opening Session			Berridge Lecture by Indu Ambudkhar		17.30
18.30	Opening Lecture By Barbara Ehrlich					18.30
19.30	Free evening	Free evening	Free evening	Boat Tour on river Elbe	Conference Dinner	19.30
20.30						20.30
21.30						21.30
22.30						22.30
